

FAASTeam Flight Instructor Open Forum

This seminar will focus on transitioning pilots from old-style steam gauges to new glass screens in cockpits. Those who have trained only using glass screens and have limited exposure to older equipment will also benefit from the seminar. FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss a current topic of interest in Aviation training.

Directions: Fly-in aircraft should request to park on the north side of the field, west of the tower.

The meeting will be held in the main conference room of the Administration Building (also on the north side of the field and west of the control tower).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
